Pro koho je kurz určen

For Team Leads, Managers and Individual contributors who want to implement OKRs within their teams.
Define quarterly OKRs based on company OKR and team priorities. Provide input and actively engage in OKR check-ins and retrospectives. Some team members may be identified as leaders of a Key Result, coordinating its execution.

Co Vás naučíme

As a participant, you will develop the skills to foster collaboration and alignment within your team, leveraging OKRs to drive focused results. Our program provides practical tools and a step-by-step playbook for rolling out OKRs, ensuring you're prepared to implement and champion this transformative approach.
Our comprehensive training guides you through the essentials of OKR implementation, from understanding the 'why' and 'when' to use OKRs, to mastering the art of aligning vision, strategy, and action. Gain in-depth knowledge on defining impactful Objectives and measurable Key Results, and learn how to effectively run OKR check-ins and retrospectives.
Upon completion, earn your certification as an OKR Champion by OKRmentors (OKRC), showcasing your expertise in this field. This certification not only enhances your ability to drive team success but also positions you as a key player in fostering a culture of high performance and continuous improvement.
